

Our school vision:

"To develop confident, creative, life-long learners, who contribute positively to a sustainable world"

To achieve this vision, we utilise four main values – Ngā Pou e Whā

- **Kaitiakitanga:** we are guardians of our environment, community, culture and future **Our Place**
- **Manaakitanga:** we treat each other with respect and kindness **Our People**
- **Rangatiratanga:** we are confident, self-determined learners and leaders **Ourselves**
- **Kotahitanga:** we are united, we work together and support each other to succeed **Working Together**

Parent Teacher Association

Are you interested in supporting the school?

Have you got a spare hour here and there to organise or help with events?

If the answer is yes, then you are cordially invited to the first meeting of the PTA for 2022.

Monday 7th March, 7pm in the school staffroom

Swimming Sports Cancellation

Regrettably, we have made the decision to cancel this year's swimming sports. The interschools competition has already been cancelled and, with the increasing pressures placed on indoor facilities, we have decided to cancel our booking.

Working Bee – Saturday 9th April 9:00am

Our playground needs some TLC

If you can dig a hole, swing a hammer or drive a drill – we need you!

To allow more than 25 people onsite **we must** check vaccine passports.

To register your interest, please click on the link below:

The Y after school care

We are very lucky to have an onsite, after school care facility run by the Y.

If you need regular every day, regular single day, short term or casual care then pop into Room 17 and talk to the amazing staff from the Y.

This facility is only available to students of St Johns Hill School

Crossing Wardens

Flynn Devane, Cian Murphy, Indigo Camp, Milly Vivian, Kayla-Rose Yakas, Ivy Kenny, Julie Stoop, Indie Benton, Troy Christal (absent), Booker Davidson (absent)

A very big thank you to Constable Ben Broughton for training our first group of crossing wardens. We will grow this group to allow us to operate at both the Parkes Ave and Peakes Road entrances.

We have approximately 400 students of various ages and road awareness.

Please set a positive example for them: use the crossings, follow the instructions of the crossing team, do not park on the kerb or double yellow lines, do not block our neighbours' driveways, be vigilant for our students around the road.
